La nostra missione ha quale scopo primario l'instaurazione di un governo della libertà, secondo le norme stabilite nel documento allegato, e un'ulteriore scopo di alto rango quello della realizzazione di un'unità internazionale, per la quale si preannuncia un governo generale, che si realizzerà in seguito alla conclusione della guerra, con una sua organizzazione.

Il 21 è richiesto l'incarico di essere a capo di un comitato di esperti in materia di economia, che si occupi di studiare e di realizzare un piano economico generale, che si realizzerà in seguito alla conclusione della guerra, con una sua organizzazione.

A EUROPEAN FEDERATION

- * GUARANTEE OF FREEDOM
- * RESPECTFUL OF THE CHARACTERISTICS OF THE VARIOUS PEOPLE AND THEIR TRADITIONS
- * WITHOUT THE RISK OF TRANSFORMING THE STATE INTO A NEW GOD AND THE CITIZENS INTO SUBJECTS

BEGINNING FROM A NEW COMMON CURRENCY: THE EURO

FOR THE FREE CIRCULATION OF PEOPLE, GOODS AND
SERVICES

A EUROPE ABLE

- * TO OFFER EVERYBODY THE OPPORTUNITY FOR A BETTER LIFE
- * TO OFFER EVERYBODY THE OPPORTUNITY TO MOVE AND TO STUDY BECAUSE OF HIS/HER MERITS AND NOT OF HIS/HER MONEY
- * TO DISTRIBUTE GOODS INSTEAD OF ACCUMULATING THEM

A BRIDGE TO THE OTHER
